Each section of the menu feels carefully curated, combining vibrant flavors, texture, and presentation in a way that makes every visit memorable.

The **Wok Dishes** section is a highlight for anyone who enjoys hot, sizzling comfort food. Favorites like the Shrimps Butter Yaki deliver a perfect balance of rich buttery aroma and tender seafood, while the Lemon Chicken adds a bright, citrusy twist to a crunchy classic. The Sesame Chicken is another must-try - crispy on the outside, coated in a sweet-savory glaze that pairs perfectly with steamed rice. For vegetarians or anyone looking for something lighter, the Stir-Fried Mixed Vegetables offers a colorful and wholesome option packed with freshness. And if you're feeling adventurous, the Canadian Dream dish captures Banc Sushi's playful spirit, fusing local flavors with Japanese-style wok cooking.

The **Udon** section of the **Banc Sushi Menu** is a comforting haven on a chilly Ottawa day. The Seafood Udon In Soup brings together plump shrimp, tender squid, and chewy noodles in a fragrant broth that's both savory and soothing. For those who like a bit of heat, the Spicy Chicken Udon In Soup adds a gentle kick that warms you from the inside out. Stir-fried options like the Stir-Fried Chicken Udon or Stir-Fried Seafood Udon showcase Banc Sushi's mastery in wok cooking - noodles tossed with rich sauces and fresh ingredients, perfectly balancing umami and texture. Even the Mixed Vegetable Udon In Soup feels hearty and satisfying, proof that simplicity can be deeply comforting.

For those who crave something crispy and indulgent, the **Fried Items** section offers an irresistible variety. The Deep-Fried Dumplings (8 pcs) are golden and crisp, with juicy fillings that burst with flavor. The Garlic Prawn Twister stands out as a fun and fragrant treat - crunchy on the outside and infused with aromatic garlic. Chicken Wings come fried to perfection, while the Broccoli Tempura gives a fresh, green twist to classic tempura style. And if you're looking for something both crunchy and creative, the Yummy Roll (8 pcs) delivers a delightful mix of flavors in each bite.

One of the most unique parts of the **Banc Sushi Menu** is the **Sushi Pizza** selection - a modern twist on traditional sushi that's both playful and delicious. The Spicy Salmon Pizza and Spicy White Tuna Pizza are

crowd favorites, with crispy rice bases topped with fresh fish, creamy sauces, and a hint of spice. The Avocado Pizza offers a smooth, buttery balance, while the Spicy Crab Meat Pizza combines sweetness and spice in perfect harmony. For a true flavor explosion, the Tar-Tar Pizza layers tangy tartar sauce with fresh seafood, creating an unforgettable bite.

To complete the dining experience, Banc Sushi's **Beer Menu** adds a refreshing touch. Choices like Sapporo (650 ml can) or Corona Extra (330 ml bottle) pair beautifully with the rich umami flavors of the food. For something lighter, Canadian or Blue beers provide a crisp counterpoint to the boldness of dishes like sesame chicken or sushi pizza.
