Tacomex Las Colinas Menu is a delightful blend of vibrant Mexican flavors and authentic street food offerings, making it a must-visit spot for any taco lover in Irving, TX. Nestled at 5330 N MacArthur Blvd, this gem of a restaurant serves up a diverse menu that covers everything from mouthwatering tacos to hearty tortas and flavorful enchiladas, offering something for every palate.

Let's start with the **Street Tacos**, a true classic. Whether you prefer **corn** or **flour tortillas**, each taco is filled with perfectly seasoned meat, including options like juicy carne asada, tender al pastor, or savory carnitas. The balance of fresh ingredients like cilantro, onions, and a squeeze of lime elevates each bite, providing that authentic street taco experience right in the heart of Las Colinas. These tacos are perfect for a quick lunch or a satisfying dinner, allowing you to mix and match your favorite proteins.

When you're craving something to accompany your tacos, the **Sides** at Tacomex Las Colinas are a standout. The **Queso Dip** is rich and creamy, a perfect pairing for their crispy **chips & salsa**-a snack you'll find yourself reaching for over and over. For a heartier side, opt for the **refried beans** and **rice**, which are cooked to perfection with just the right amount of flavor. The beans are smooth and flavorful, while the rice provides a light and fluffy texture, making it a great base to complement your main dishes.

Tacomex Las Colinas is also known for its **Enchiladas**-a Mexican comfort food classic. The **Mexican Enchiladas** are packed with flavor, wrapped in soft tortillas and topped with a rich, tangy sauce. For a Texas twist, the **TEX-MEX Enchiladas** add a unique flair to the menu, offering a delightful blend of Mexican and American influences. Both options are hearty and delicious, ideal for those looking for a filling and flavorful meal.

For something a bit different, try one of their **Tortas**. The **Torta** is a Mexican-style sandwich served on a soft, toasted roll and filled with your choice of protein, including grilled steak or chicken. The **Chicken Avocado Sandwich** adds a refreshing twist, with tender chicken paired with creamy avocado-creating a perfect combination of textures and flavors. These sandwiches are substantial and satisfying, perfect for anyone seeking a filling lunch or dinner.

As for drinks, Tacomex Las Colinas offers an excellent selection to pair with your meal. From **Can Drinks** to the ever-popular **Mexican Coke**, there's something for everyone. For a more refreshing option, try a **Jarritos**-the Mexican soda comes in various fruity flavors that complement the rich, savory flavors of the food. They also offer **Bottled Water** and **Bottled Juice** for those looking for a lighter, hydrating beverage.

Whether you're stopping by for a quick lunch or enjoying a relaxed dinner with friends, Tacomex Las Colinas offers a menu full of bold flavors and satisfying options. Each dish is carefully prepared, ensuring that every bite delivers an authentic taste of Mexico. Don't miss out on their flavorful tacos, cheesy enchiladas, or tasty tortas. This menu is perfect for those who crave classic Mexican comfort food with a fresh, delicious twist!
