Starting off with the **Starters**, this menu knows how to make a first impression. The Fresh-Baked Garlic Pan Bread is a local favorite-warm, fluffy, and perfectly golden with that buttery garlic aroma that instantly makes you hungry. If you want to elevate the experience, the Jack's Cheese Garlic Pan Bread takes it up a notch with a gooey, cheesy layer that melts into every bite. For those who crave freshness and a hint of zest, the Fresh Guacamole hits all the right notes-smooth avocado blended with lime, cilantro, and just enough spice to wake up your taste buds. And then there's the Thick-Cut Bruschetta, a burst of Mediterranean sunshine in every mouthful, with juicy tomatoes, basil, and balsamic drizzle served on crispy bread. For a creative twist, the Asian Wonton Nachos turn the traditional nacho experience upside down with crispy wonton chips, spicy toppings, and a mix of textures that are simply addictive.

Moving beyond the starters, the **Jack Astor's Bar & Grill Argentia Menu** showcases a range of mains that balance comfort and creativity. The burgers are a standout-juicy, perfectly grilled, and stacked high with toppings that make each one a signature masterpiece. The Classic Bacon Cheeseburger is a crowd-pleaser, while the Ultimate BBQ Burger brings a smoky sweetness that pairs beautifully with Jack's crispy fries. If you're in the mood for something hearty, the steaks at Jack Astor's don't disappoint. Each cut is seared to perfection, juicy inside, and seasoned with just the right balance of spices. Pair it with mashed potatoes or crispy onion rings, and you've got yourself a meal worth remembering.

Seafood lovers aren't left out either. The Blackened Mahi Mahi Tacos are a refreshing choice, offering a blend of smoky fish, crunchy slaw, and tangy aioli that bursts with flavor. And let's not forget the Cajun

Chicken Alfredo-a creamy, indulgent pasta that combines tender chicken breast with rich Alfredo sauce and a touch of Cajun spice that brings the dish alive. Each bite is comforting yet bold, a true reflection of Jack Astor's playful but polished culinary style.

The **Jack Astor's Bar & Grill Argentia Menu** also pays attention to sharable plates and salads for those who love lighter fare.
