Tucked away on the vibrant street of C. Orizaba in Roma Norte, **Buna - Café Rico** offers more than just a cup of coffee—it's a thoughtfully curated experience that celebrates flavor, craftsmanship, and comfort. The **Buna - Café Rico Menu** captures the essence of specialty coffee culture in Mexico City while embracing locally inspired twists that elevate the café's identity.

Let's start with the heart of the menu—**Café Rico**, which lives up to its name. Coffee lovers can expect the classics done exceptionally well: the **Americano** here has a smooth, full-bodied richness with no bitterness, ideal for those who enjoy their coffee clean and crisp. The **Espresso**, whether solo or double shot, is a bold and complex punch of flavor, perfect for a morning boost. The **Cappuccino** and **Latte** are balanced and silky, with creamy milk froth that complements Buna's roasted beans beautifully. If you prefer your coffee cold, the **Extracción Fría** (cold brew) is a revelation—refreshing, subtly sweet, and deeply aromatic, ideal for sunny afternoons on the café's patio.

Moving on to the **Cacao Rico** selection, this part of the menu highlights Mexican heritage through its two classic offerings. The **Chocolate con Agua** is traditional and intense, using water instead of milk to let the cacao's earthy bitterness shine—a true treat for purists. On the creamier side, the **Chocolate con Leche** provides a smooth, comforting warmth that feels like a hug in a mug. It's a popular choice during chillier months or for guests looking for something nostalgic yet elevated.

A charming addition to the Buna - Café Rico Menu is the "**Cosas Ricas**" section, which introduces a lighter, more wholesome touch. The **Infusión del Huerto**—a herbal garden infusion—feels like a detox for the senses. Its soothing blend of local herbs is both aromatic and calming, especially paired with the café's fresh **Pan** offerings. These breads, often sourced from artisanal bakeries, are simple yet delightful accompaniments that round out the experience without overshadowing the drinks.

For those who want to explore beyond the basics, Buna also includes a specialized **Bebidas** category that features variations on classic drinks. The **Cortado**, a bolder cousin of the latte, offers a more espresso-forward flavor. The **Café au Lait**, with its French twist, mixes coffee and steamed milk in just the right ratio, perfect for a mellow midday sip. And for a touch of ceremony, nothing beats settling into a comfy corner with a **Capuccino** and watching the world pass by Roma Norte's leafy streets.

What makes the **Buna - Café Rico Menu** stand out is its ability to be both rooted in tradition and refreshingly modern. The focus is not on an overwhelming number of choices but rather on doing a few things very well. Each drink is crafted with care, showcasing the quality of Buna's beans and their dedication to transparency and sustainability in sourcing. This attention to detail is what elevates a simple coffee break into a memorable ritual.

Whether you're a digital nomad in search of the perfect workspace, a coffee aficionado hunting for Mexico City's finest espresso, or just someone who appreciates the art of a good cup, Buna delivers. The **Buna - Café Rico Menu** doesn't try too hard-it doesn't need to. With every sip, it effortlessly tells its story: one of community, craftsmanship, and rich, delicious coffee.
