The Colombian Coffee Bar & Roastery-Glenora Menu is a perfect blend of comfort, creativity, and the warm, laid-back charm that defines Edmonton's café culture. Nestled at 10340 134 St NW #1, this cozy spot isn't just about great coffee—it's a love letter to brunch lovers and those who crave thoughtful, wholesome meals crafted with care. Every dish on the menu feels like it was designed to make your morning brighter and your afternoon a little more indulgent.

Start your experience with the **Smashed Eggs on Toast**, one of the most beloved staples on The Colombian Coffee Bar & Roastery-Glenora Menu. This dish captures the essence of simplicity done right—perfectly poached eggs resting on hearty artisan bread, gently smashed with creamy butter and seasoned just enough to highlight the freshness of the ingredients. Each bite brings the satisfying combination of crisp toast and velvety yolk, ideal alongside their house-roasted espresso or a smooth flat white. It's the kind of breakfast that feels both nourishing and uplifting, setting the tone for a slow, delightful day.

If you're a fan of avocado (and who isn't these days?), the **Avocado Toast** is a showstopper. The avocado is smashed to the perfect consistency—creamy but still textured—topped with a sprinkling of sea salt, a dash of pepper, and sometimes a drizzle of olive oil or a squeeze of lime for that refreshing zing. The presentation is minimalist yet elegant, the kind that makes you reach for your phone before your fork. It's a simple, clean, and wholesome option that highlights why the The Colombian Coffee Bar & Roastery-Glenora Menu has become a favorite for health-conscious foodies.

For something more adventurous, the **Loxocado Toast** is a star of the menu that deserves all the praise it gets. Combining smoked salmon, avocado, and perfectly seasoned toppings, this dish brings together creamy, salty, and smoky flavors in perfect balance. The rich lox contrasts beautifully with the smooth avocado, while a touch of lemon or dill adds a bright, aromatic finish. It's a plate that feels indulgent yet refreshing—a must-try for brunch lovers who crave something beyond the ordinary.

When it comes to hearty handheld options, the **Breakfast Bagel** is a cozy, satisfying choice. Freshly toasted and stuffed with eggs, cheese, and sometimes crispy bacon or ham, it's comfort food at its best. The bagel has just the right chew, and the fillings are balanced so that every bite is delicious without being overwhelming. Pair it with their signature Colombian coffee roast, and you've got a breakfast combo that feels like a hug in edible form.

The **Roasted Turkey Sandwich** rounds out the savory side of The Colombian Coffee Bar & Roastery-Glenora Menu with a satisfying mix of protein and freshness. Tender slices of roasted turkey, layered with crisp greens, a touch of mayo or aioli, and freshly baked bread, make for a lunch option that's both light and filling. It's wholesome, flavorful, and perfect for those who want something substantial but not heavy. Every dish at The Colombian Coffee Bar & Roastery-Glenora tells a story of thoughtful preparation and fresh ingredients. The menu is compact but curated with care-each item feels intentional, and nothing is overcomplicated.
