Whether you're popping in for a casual lunch, a seaside dinner, or a round of drinks with friends, every bite here tells a story of local ingredients and coastal inspiration.

The experience begins with the **Starters**, where classics shine with a Lighthouse twist. The **Bruschetta Cheese Toast** bursts with fresh tomatoes, basil, and melted cheese over crispy bread-simple yet satisfying. For seafood lovers, the **Calamari** is light, golden, and served with just the right touch of seasoning. The **Creamy Garlic Prawns** are another highlight, rich and indulgent with a velvety garlic sauce that pairs beautifully with a glass of white wine. If you're in the mood for something hearty and familiar, the **Chicken Tenders** or **Chicken Wings (GF)** are crowd-pleasers-crispy, juicy, and perfect for sharing. It's a menu that balances the approachable with the impressive, catering to every craving.

Moving into the **Soups and Salads**, the **Lighthouse Chowder (GF)** is a must-try and arguably one of the best in Nanaimo. Creamy and loaded with fresh seafood, it captures the essence of the coast in every spoonful. The **Caesar Salad** is crisp and classic, with the right balance of garlic and parmesan, while the **Coastal Buddha Bowl** brings a refreshing, health-conscious option filled with vibrant greens, grains, and seasonal vegetables. For those wanting something protein-packed, the **Cobb Salad (GF)** is a full meal on its own-hearty, colorful, and satisfying. To make any of these dishes even more special, diners can choose from delicious **Add Ons** like **Sockeye Salmon**, **Striploin 6oz**, **Egg**, **Sautéed Prawns**, or **Turkey**. Each option adds a layer of flavor that can turn a simple salad into a gourmet experience.

For something handheld and hearty, the **Handhelds** section of the **Lighthouse Bistro & Pub Menu** is where comfort truly takes center stage. The **Lighthouse Burger** is a signature favorite-juicy beef patty, fresh toppings, and a toasted bun that holds everything together perfectly. The **Clubhouse Sandwich** is stacked and satisfying, perfect for a midday bite, while the **Brisket Beef Dip** offers tender, slow-cooked beef paired with rich au jus for dipping. Seafood lovers will adore the **Sockeye Salmon Burger**, which celebrates the freshness of local salmon with a smoky, grilled flavor. And for steak enthusiasts, the **Steak Sandwich** delivers that classic bistro comfort, perfectly cooked and full of flavor.

Of course, no visit to this seaside restaurant would be complete without exploring the **Fish & Chips** section. The **Pacific Cod** option is a nostalgic favorite-lightly battered, flaky, and served with crisp fries that hit the spot every time. For those wanting something a little more premium, the **Local Fresh Halibut** is a standout dish-delicate, buttery, and perfectly fried. Both are served with house-made tartar sauce and a wedge of lemon, creating that quintessential West Coast dining moment.
