With a diverse and thoughtfully curated menu, the café promises an experience that caters to various tastes, whether you're craving a rich espresso, a refreshing iced drink, or a flavorful brewed coffee.

The **Teleo Fall** menu is the perfect place to start if you're in the mood for seasonal flavors that embrace the essence of fall. **Pumpkin Delight** offers a smooth and creamy pumpkin-spiced drink that feels like autumn in a cup. For those who prefer something a bit frothier, the **Frothy Pumpkin** (iced only) is an indulgent treat that balances the sweetness of pumpkin with the lightness of froth, creating a refreshing yet comforting drink. If you're looking for something with a touch of salty sweetness, the **Salted Maple Cortado** delivers a delightful combination of maple syrup and espresso, elevated by a subtle salty finish. For a unique twist, **Apple Butter Lotus** brings the warm, rich flavor of apple butter to a Lotus drink, an intriguing mix of spices and creaminess.

When it comes to **Espresso drinks**, Teleo Coffee doesn't hold back in terms of quality and flavor. Whether you're a purist or someone who enjoys a bit of variety, there's something here to satisfy every espresso lover. The **Doppio Shot Espresso** is a straightforward, bold choice, offering the perfect burst of energy in a double shot. If you need an extra pick-me-up, the **Quad Shot Espresso** will undoubtedly do the trick. For a creamy, balanced option, the **Cortado (Double)** is an excellent choice, as it pairs a double shot of espresso with steamed milk, providing the perfect amount of richness. If you're in the mood for something larger, **Americano** and **Cappuccino** are fantastic options that bring out the deep, robust flavors of the coffee, combined with just the right amount of milk or water.

For those who love the velvety taste of lattes, **Teleo Coffee** offers a delightful variety of creative flavors. The **Honey Bear Latte** is a sweet, smooth option with a rich honey flavor that's perfect for those who like their coffee with a touch of sweetness. The **Lavender Vanilla Latte** combines the floral notes of lavender with the comforting taste of vanilla, creating a calming, aromatic experience. If you're looking for a drink that's as heartwarming as it is flavorful, the **Love Your Neighbor Latte** brings a blend of spices and creaminess to the forefront. The **Mini on Monroe Latte** is another standout, delivering a sweet and nutty taste that's perfect for enjoying while you relax. For a classic but indulgent option, the **Caramel Macchiato** is always a crowd-pleaser with its rich caramel flavor that pairs wonderfully with the espresso.

For the coffee purists, **Teleo Coffee's Brewed Coffee** section offers a variety of options that highlight the unique flavors of their coffee beans. The **Neighborhood Blend Drip** is a smooth and balanced coffee that's perfect for everyday sipping, while the **Ethiopia Single Origin Drip** offers a light and fruity profile that coffee lovers will appreciate.
