Cocina Del Mar, located at 650 Douglas Dr UNIT 122, Oceanside, CA, offers a delightful menu filled with fresh, vibrant, and flavorful dishes that bring the authentic taste of the sea to your plate. Whether you're in the mood for a casual snack, a hearty meal, or a refreshing drink, Cocina Del Mar has something to satisfy

every craving.

One of the standout features of the Cocina Del Mar menu is its focus on fresh seafood, prepared with care and authenticity. For those who love the rich flavors of fish, the **Whole Fish Rice & Beans** (Pescados Enteros Arroz & Frijoles) is a must-try. The **Pescado Zarandiado**, or grilled fish, is expertly cooked, seasoned to perfection, and served with a side of fragrant rice and beans, making it a fulfilling and satisfying meal that captures the essence of coastal cuisine. It's a flavorful choice for seafood lovers looking for a complete, delicious experience.

If you're craving something lighter, Cocina Del Mar's **Fish Fillets Rice & Beans** (Filetes de Pescado Arroz & Frijoles) offers a simple yet flavorful option. The **Filete a la Plancha**, or grilled fish fillet, is tender, flaky, and full of flavor, paired beautifully with rice and beans to create a comforting, well-rounded dish. It's a fantastic option for those who appreciate a balance of fresh fish with hearty sides.

For those who want to start off their meal with something a bit more shareable, the **Botanas/ Appetizer** section is full of tempting choices. The **Ostiones Supremo (6pz)**, or oysters, are a real treat for seafood aficionados. These fresh oysters are perfectly prepared, offering a delicate, briny flavor that's enhanced by the restaurant's signature seasoning. Whether you're enjoying them as a starter or as part of a seafood feast, they are sure to impress.

The **Tostadas** at Cocina Del Mar are another must-try item on the menu. The **Tostada El Rey** is a particularly popular choice, loaded with a medley of fresh ingredients, including fish or other seafood, piled high on a crispy tostada shell. It's a refreshing, crunchy bite that combines a variety of textures and flavors, making it perfect for a quick snack or as part of a larger meal.

To wash it all down, Cocina Del Mar offers a selection of refreshing drinks, with one of the highlights being **Jarritos**. The **Coca-Cola Mexicana**, or Mexican Coca-Cola, is a popular choice, known for its slightly sweeter taste and more natural ingredients compared to its American counterpart. It's the perfect drink to pair with the rich flavors of the seafood dishes, adding a touch of sweetness to balance out the savory flavors.

In addition to the flavorful dishes, the welcoming atmosphere at Cocina Del Mar makes it the perfect spot for a relaxed dining experience. Whether you're enjoying a casual meal with friends or celebrating a special occasion, the restaurant offers an inviting space that complements its vibrant menu.

Overall, Cocina Del Mar is a standout choice for anyone craving authentic seafood in Oceanside. The **Cocina Del Mar Menu** offers an array of fresh, flavorful dishes that bring the taste of the ocean straight to your table. With everything from grilled fish to oysters and delicious tostadas, there's no shortage of options to explore. The restaurant's commitment to quality ingredients and authentic preparation shines through in every dish, making it a must-visit destination for seafood lovers and anyone looking for a delicious, satisfying meal.
